# VAMP 'TIL READY

Kate began her career singing with jazz harmony group Sweet Substitute, touring such shows as Hooray For Hollywood, Stardust Road (with Georgie Fame) and, more recently, as soloist in Fabulous Fats Waller and Basin Street to Broadway with Keith Smith. Now a regular with Bristol Old Vic, Kate played Gwen in Up The Feeder – Down the Mouth, Spot in the 2001 dockside version, Mrs. Fezziwig in A Christmas Carol and Lily in Myrtle on the Mainline. For Crisp Theatre she played Bet in Godber's April in Paris and, for Show of Strength, Avril in Peter Nichols' own production, Nicholodeon. Kate's voice has been described by The Independent as having 'outstanding power'.

## What makes a Vamp?

**A musical evening exploring the likes of Marlene, Bessy Smith, Marilyn Munroe and Mae West, to name but a few.**

**Classic songs to vamp along to performed by the magnificent Kate McNab and accompanied by guitar hero Kit Morgan.**

We've been amazingly lucky to secure MD Kit Morgan as the musical arranger for all five MOE shows. A hugely versatile guitarist, he has toured the world with the likes of Billy J. Kramer, Wall Street Crash, Vanessa Mae and, of late, Ian Anderson (Jethro Tull). As a musician he has done many seasons for Bristol Old Vic and regularly writes and records for international magazine Total Guitar. Kit also composes for television and film soundtracks and even produces his own relaxation CDs!
